## YOUR SUPPORT HELPS

This annual event is our one and only fundraising event every year. Brother's Keeper relies on this event to "fill in the gaps" between tuition and the operational costs of running our program. Every dollar raised at this event goes directly towards our annual budget that supports the mission of Brother's Keeper and serving our amazing community.

Brother's Keeper is committed to serving adults with intellectual disabilities and empowering a vibrant and often overlooked community. Help us continue to build bridges between our participants and the broader community. Supporting our program means investing in a brighter future, transforming lives, and championing the untapped potential of the individuals we serve. Help us make a lasting impact on the lives of adults with intellectual disabilities, helping them thrive, dream, and achieve their full potential.

Brother's Keeper is a registered nonprofit 501(c)(3) organization. Donations are tax-deductible to the full extent provided by the law. Brother's Keeper does not discriminate on the basis of any race, color, natural origin, or ethnic origin and conveys all rights, privileges, programs, and activities generally accorded or made available to all program attendees.

# ABOUT BROTHER'S KEEPER

Adults with special needs have few opportunities for continuing their education and engaging in the community. Whatever developmental age or level of skills they have attained, they can continue to learn, enjoy friendships, and have the opportunity to lead more productive lives.

Brother's Keeper provides all of this for them.

- Our days at BK always begin with devotions and are filled with purpose and careful planning.
- We go out into the greater community every week to explore new places and enjoy the beautiful area in which we live.
- We give back to our community by serving others on a weekly basis. Our participants understand how they are helping others and love these serving opportunities.
- The participants make hand crafted items such as canvas art pieces, note cards, dog chew toys, and more. These work enterprises are challenging but also create tangible ways for our participants to showcase their talents.

We have been serving families through our faith-based, educational and enrichment program for eight years. Families have said it has been life-changing for their participant. Together with our staff, they have formed a community of close friends at Brother's Keeper. They celebrate each other's successes, encourage one another, pray for one another, and enjoy having purpose-filled days at BK.

***Thank You for Your Support!*** We can't wait to see you at our  
9th Annual Bowling Event Fundraiser!

We extend our heartfelt gratitude to all our sponsors, volunteers, and supporters who make our mission possible. Together, we can make a difference in the lives of those who need it most.
